

Deutschlands größter Autodiscounter

International Vehicle Buyer (m/f/d) Slovakia

For over four decades, the name Autoland has stood for the highest level of customer focus, top prices, and unbeatable quality. With 38 locations in nine federal states, more than 1,500 dedicated employees, and annual sales of €1 billion in 2025, Autoland is the largest manufacturer-independent automotive trading company in Germany. Autoland AG's headquarter is located in Brehna in Saxony-Anhalt (near Leipzig and Halle) and the company is based in Berlin, Am Großen Wannsee.

To expand our international supplier network, we are looking for a motivated automotive professional for the Slovak market. In this position, you will operate flexibly from Germany or directly from Slovakia, build sustainable B2B partnerships, and connect the Slovak vehicle market with our corporate headquarters in Germany.

Your responsibilities:

Active Vehicle Sourcing: You purchase new, nearly-new, and used cars directly from the Slovak market for the German market.

Network Building: Establishing, maintaining, and strategically managing a strong supplier and dealership network throughout Slovakia.

Negotiation: Independent price negotiations and securing highly attractive purchasing conditions.

Process Management: Managing the entire procurement process from the initial contact all the way through to vehicle delivery.

Interface Function: Close collaboration with our international team in Germany as well as regular travel to our corporate headquarters in Brehna for strategic alignment and training.

Your profile:

Industry Experience: Proven experience in the automotive sector, vehicle trading, or international B2B procurement.

Language Skills: Fluent Slovak and at least an intermediate level of English or German are required for corporate communication.

Negotiation Skills: Exceptional communication strength, assertiveness, and a sharp intuition for the automotive market.

Work Approach: High level of self-organization, independence, and a structured approach to working from a home office.

Willingness to Travel: High flexibility and willingness to travel to support dealerships in Slovakia, as well as for regular on-site assignments in Germany.

Your Benefits:

Security & Growth: A permanent employment contract in a crisis-proof and continuously growing family-owned enterprise.

Flexibility: Maximum flexibility with direct reporting from your home office in Slovakia or Germany.

Mobility: A company car, which is also at your disposal for your business travels within Slovakia.

Recreation: 30 days of vacation per year.

Team Spirit: A modern, international work environment with flat hierarchies and a strong backend team supporting you in all processes (logistics, administration).
